Approved Aviation Training Organisations

Approved training organizations selected by Airports Authority of Jamaica for pursuit of aviation training under the 2023/24 Aviation Scholarship Programme are:

For Flight Training:

Jamaica Civil Aviation Authority (JCAA) Approved Training Organisation (ATO):

- Aeronautical School of the West Indies (ASWI), Tinson Pen Aerodrome, Kingston

For Airport Operations & Management:

- Airports Council International (ACI) - Virtual/Online Training

For Aircraft Maintenance:

- To be announced

iv. REGULATIONS

- a. Any applicant to whom this Scholarship is awarded, shall not simultaneously hold any other substantial award.
- b. The scholarship is for tuition & requisite training materials only valued at **90%** of the specified cost of aviation training up to a maximum of J\$550,000 for one (1) year for Airport Operations &

Management training

and a maximum of J\$2M/for one (1) year for Flight Training. It is the responsibility of the applicant to finance the balance of the training programme fee if the value of the Scholarship does not cover the aviation training programme in full.

- c. The successful applicant may not be eligible for another AAJ Aviation Scholarship until five (5) years have passed since the completion of the training programme.
- d. There shall be a bonding requirement/agreement for all successful applicants who have received a scholarship for pursuit of aviation training, with the requirement for employment in Jamaica with an Airport Operator or entity which is a holder of Air Operator Certificate (AOC) issued by the Jamaica Civil Aviation Authority (JCAA).

The bonding period shall be for:

One (1) year after completion of Airport Operations & Management training

Two (2) years after completion of Flight training

- e. All recipients of the scholarship are required to give back to the Jamaica society by engaging in community/volunteer service. The following are recommended places to provide community service:
 - Children's homes
 - Hospitals
 - Churches
 - Aviation organisations
 - Other organisation(s) that provide assistance or a community in need.
- f. Short-listed candidates will be interviewed by a scholarship committee for further assessment and selection for award of an aviation scholarship.
- g. Fee payments for successful applicants under the aviation scholarship programme will be made directly to the aviation training institution and not to awardees.
